LOCAL AND PERSONAL.

If the public needed any assurance that the business people of Hondo are in hearty accord with every thing that goes to the upbuilding of the schools of their town and county, the boost these people give to advertising the School Meet of next week, as evidenced by the two inside pages of this paper, should forever convince them. Such an advertisement for the Meet was possible only through their hearty co-operation. THEY invite you to put away all cares—and worries over the weather—for a couple of days next week-end, brush the dust off your Stars, your Buicks, your Chevrolets, your Maxwells, your Chryslers or the old reliable Ford, and emulating the man in the ad, spit the breeze for Hondo and join the throngs in taking in the Big School Meet. If you have any kicks be generous enough to go off alone and kick your-

The box-supper and programme given at the Rest Room Saturday night netted the Basket-Ball girls \$37.00. The programme consisted of selections by the orchestra, a reading by Gertrude Harris, a piano selection by Mrs. Cockrell, a reading by Jack Muennink and a song by the basket-ball girls and boys. Judge Brucks was the auctioneer.

Misses Josephie Brucks and Octavia Davis were over from Castroville Saturday and Sunday visiting their parents.

Mr. and Mrs. Roy Carter and little daughters, Adabelle and Fay Iris, and Mrs. H. E. Haass spent Wednesday in San Antonio.

In the double header game of base ball here last Sunday between the Hondo Aztecs and the team from Devine, honors were even, the visitors taking the morning game by a score of 4 to 2, the Aztecs taking the afternoon game by a score of 12 to 0. The manager of the Hondo team says fine crowds view the games from the lane-outside the ball park. As there is considerable expense attached to the maintaining of the ball team, those desiring to witness the games should not hesitate to pay the small entrance fee to the grounds and help the local club to pay the necessary expense. The players get no salary but the team has to guarantee the expense of visiting teams, and this expense is paid out of the gate receipts, so if you wish to see the games help pay the expense. The Aztecs play at Del Rio tomorrow.

Fred Neumann spent last week-end in Houston, visiting his son, Victor, and family. This was his first visit to the Bayou City in some twenty-odd years and he was somewhat amazed at the growth of the city since his last visit. It was rather an inspiring sight to see the ship blocking, the ship channel, in coming in and departing for all ports in the Old World. In fact, Mr. Neumann became so enthused that for a while he seriously contemplated a trip to England on a departing ship. However, his dream of a sea voyage was short lived when he discovered the ship was so closely guarded that there was no chance to ship as a stow-away. He says Houston is a busy, bustling city and he predicts another tremendous growth in the next decade. However, he did not invest in a dozen or two corner lots while in the city.

Messrs. L. P. Mann and son, William, were callers at this office yesterday and published a posted notice. Campers and fishers on the premises of the Mann Brothers have become so numerous and so inconsiderate of the property of the owners that this step is deemed necessary. People should learn to respect the property where they camp, and not be camp hogs.

Dr. J. E. Schlottman and the principal of the High School, Mr. Johnson, were lucky fishermen at the Medina Lake, bringing home about 25 pounds of fish last week-end. Among the catch they pulled out a 34 12-pound one.

J. H. Fraser of Brownwood, district salesman of the celebrated Mobiloil, was in town Tuesday pushing the sale of his goods. Dropping in on him by accident at the office of the Citizens Motor Car Co., with the prospectus of the Big School Meet advertising, he sensed the advertising value of the man in the motor car and grabbed the last remaining space to help us finish loading up the car with the suggestion that all motorists should, the "last thing," before starting on a trip, provide a plentiful supply of Mobiloil. Funny, isn't it? But some folks don't have to be bumped with an advertising opportunity when it presents itself. They just reach out and grab it. That's Mr. Fraser.

Charles J. Graff showed us returns on some fat porkers he set to market a few days ago. Among the lot were three 6-month-old shots that topped the San Antonio market at 13c and brought the sum of \$66.30. The pigs had been on feed for the last thirty days. Graff was very much pleased at returns. The Graff Boys special in Durocs and find it pays to maintain a good strain. They recently purchased a young boar from Robertson of Devine to head the herd.

HENRY SCHUEHLE, SR. LAID TO REST.

Last Wednesday afternoon the mortal remains of Mrs. Henry Schuehle, Sr., of Sturm Hill were presently carried to the City Cemetery of Hondo and there laid to rest among kindred and friends who preceded her in death. Mrs. Schuehle died Tuesday morning about 7 o'clock after a long siege of illness in old age, at the home of her daughter, Mrs. Gustave Wiemers, of this city. The funeral services were conducted by Rev. C. P. Hasskari of the Quibi Lutheran Church, to which Mrs. Schuehle had belonged her whole life. The service at the house was held in the German tongue and was greatly beautified by the singing of several well-toned chorals. From the house a funeral train went in procession to the City Cemetery where the service was held in the English language. The service here was impressive and greatly beautified by the appropriate selections by the Quibi Church choir and well-known songs by the great number of people present. The pallbearers of the occasion were six sons of the beloved dead. The offerings were many and especially beautiful.

Mrs. Henry Schuehle, nee Gebke, was born of Christian parents at Hoddorp, Ostfriesland, Germany, November 15, 1845. In her youth she grew up to young manhood and then came with her to this country, locating in the Quibi Community, where she remained the remainder of her long and full life. Here she entered into marriage estate, April 3, 1869, with Mr. Henry Schuehle, Sr., her mourning husband. For more than fifty years she faithfully shared with her devoted mother, the wife and mother, the joys and sorrows of life, as well as the many hardships and privations incident to the life of the Quibi Community. At all times she proved herself a kind and generous friend and neighbor to the end retained and enjoyed the love and high regard of those who knew her. She was a member of the Quibi Lutheran Church cheerfully and consistently took active part in the interest of the church, especially before age a limit to her activities. The children of her marriage were two sons and five daughters. Of these, three daughters preceded her in death, namely: Mrs. C. A. Oefinger, Mrs. Henry Wernette and Mrs. F. Wernette. Besides her mourning husband, she is survived by her two sons, Henry Schuehle, and August Schuehle and her daughters, Mrs. Fritz Frerichs and Gustave Wiemers of Hondo, as well as 26 grandchildren. The cause of her death was a long illness brought on by old age. All that medical skill and nursing could do for her in her many years was cheerfully rendered. She attained the age of 74 years, 4 months and 2 days. May rest in peace and ever enjoy the blessed rest promised all who die in Jesus.

The Anvil Herald joins Mrs. Schuehle's many friends and neighbors in their bereavement and extends sincere sympathy to the aged and children.

THE RED SEAL SALE.

The fourth Red Seal Money Auction Sale was held last Saturday afternoon and like its predecessors, was a great success, or even more so. A great crowd was present, bidding was spirited and a general good time was passed by the throng. These auctions are growing in interest and their recurrence is being looked forward to by our people. Prof. W. N. Saathoff, who thus far has acted as Auctioneer—and every one admits he is a good one—was in an exceptional good humor at the last Sale, and wheedled the crowd to part with some \$2,631 of their "hard earned" Red Seal Money but as every one seemed perfectly satisfied with their purchase, all must have felt that they got their "Money's Worth."

As has been his custom since he has been officiating as Auctioneer, Prof. Saathoff prefaced his duties with a short address, during which he read the following creed, which, while not claiming it as original, is just as good as though it was. If everyone would live up to the ideas contained in the creed what a glorious place we would have in which to live. Following is the creed:

"I Believe in my Town."

I believe in Hondo, in her people, and in her boys and girls.

I will make myself a Committee of one to make this a good place in which to live and a mighty hard place to knock and leave.

I believe in Hondo. I believe in her institutions, her schools, in her Chamber of Commerce and the Ladies Auxiliary to the Chamber of Commerce, and in her Churches and business places. I believe in doing my part to keep the town clean, and make it attractive so that strangers who have once visited us will gladly pass the word "Beautiful Hondo" along the line.

I believe in Hondo. I believe in its trees, God's first Temple, grass instead of ash-heaps, and flowers instead of weeds. I believe in spending my money here, and by doing so leave a part of the purchase price to circulate in the channels where its equivalent in wealth was originally created, to do good among the folks who are a part of the community of which I am a part, in the place that I call home.

I believe in my town HONDO."

If these Red Seal Money Auction Sales continue much longer and our people become more familiar with the value of the new money, we would not be surprised if some should clamor for the demonetizing of Uncle Sam's money, and substituting in its stead Red Seal Money when they part with anything of value.

The picture, "AMERICA," shown at the Star Theatre Thursday and Friday nights of this week is a masterpiece of the movie art. Every American should see this wonderful dramatization of the struggle of our forebearers for the liberties we now enjoy so much as if they were a mere matter of course.

No Worms in a Healthy Child
All children troubled with Worms have an unhealthy color, which indicates poor blood, and as a rule, there is more or less stomach disturbance. GROVE'S TASTELESS CHILL TONIC given regularly for two or three weeks will enrich the blood, improve the digestion, and act as a general Strengthening Tonic to the whole system. Nature will then throw off or digest the worms, and the child will be in perfect health. Pleasant to take. 75c per bottle.

WITH THE DRILLERS.

So far as we have been able to learn nothing out of the ordinary has transpired at the various wells drilling the past week.

After being inactive for about a year on account of ill health, active operations are again under way at the O'Brien No. 2. This well is several hundred yards from No. 1, and we understand numerous showings of oil of a very high gravity have been encountered. As this well is in what is regarded as proven territory, no one doubts that oil will be found. The quantity is the only question in this case.

The Mid-Kansas, the latest to spud in this section, drilling on the Haby tract, some three miles South of Dunlay, is making splendid headway, and was drilling around 900 feet Wednesday. Thus far this company has encountered no difficult drilling and should the same ratio of speed be maintained the purpose to reach 2,000 feet in fifteen days from the date of spudding in seems almost assured. We understand considerable oil showings have been encountered.

Following a fishing job, active drilling is again in progress at the Medina Oil Co.'s location. This well is reaching the interesting stage and important developments are expected within the next 200 feet. The promoters are confident of bringing in a good commercial well—a confidence all our people hope to see realized.

Bailing in Ina No. 2 that "shot" more than a month ago is still in progress. This "shot" loosened up a tremendous amount of earth and it continues to slide in as the loose sand is removed. However, it is thought by those who have visited the well that the output has been tremendously increased as the result of the "shot."

Kone-Willis drilling on the Fusselsman-Murphy ranch is drilling around 2,000 feet. They have had considerable trouble on account of striking a ledge of porous rock that has made it difficult to maintain the required amount of water in the hole to facilitate drilling. The promoters of this enterprise anticipate a rich strike before reaching their scheduled depth of 3,500.

The last report from the California-Medina well on the Rothe ranch, locates the drill in the Pennsylvania formations and indications flattering for a good strike at almost any time.

Medina Lodge No. 867, I. O. O. F., has changed its meeting nights from every Saturday night to each 1st and 3rd Tuesday nights of the month. This will mean twenty-four meeting nights out of the year instead of 52 as heretofore, and it is to be hoped that the membership will attend these meetings. Tuesday night should be a convenient time for most of the members and a revival in interest should naturally follow. The next meeting night will be Tuesday night, April 7th, 8:30 P. M. All members are urged to be out and visiting brethren will be welcome. Cake and (the un-fervent) wine of lemons will be served after the business session is over.

Among the large number of attendants at the funeral of Mrs. Henry Schuehle, Sr., here Wednesday, the following were noted: Mr. and Mrs. Pete Bless, Mrs. Mary Hartung, Mr. and Mrs. Geo. Gerdes, Mr. and Mrs. Milton Gerdes, Mr. and Mrs. Ed Wernette, Mr. and Mrs. Harry Wernette, Dick Wernette, Mrs. Alf. Miller, Mrs. Marie Saathoff, Mr. and Mrs. Jake Saathoff, Mrs. Louis Haby and son, Mrs. Kate Mierow, all of San Antonio; Otto Wurzbach, and family, and Mr. and Mrs. Arnold Wurzbach from Cliff; Mr. and Mrs. Alex Haby, Mr. and Mrs. Cornelius Haby, Miss Selma Haby, from Riomedina and Mrs. Louisa Kieffer of Castroville.

Prof. William Eilers, Rural School Inspector for the State Department of Education, was here this week visiting and inspecting schools with Superintendent W. N. Saathoff. After an inspection of the new district at Pearson, Mr. Eilers recommended \$500.00 State Aid be granted the district.

Judge Ed de Montel went to San Antonio Monday, accompanied by Mrs. Montel and son, Elbert, and went at once to the Santa Rosa Hospital where he has since undergone two serious operations for removal of carbuncles from his neck. While the Judge stood the operations well considerable uneasiness was felt over his condition, and his children were summoned to his bedside. Latest reports from him was that he was doing well, and if the virus can be kept localized the physicians are hopeful of an early recovery.

Walter Mask and family were visitors to Jourdanston Sunday where the children of W. K. Mask had gathered to visit him and their mother. We regret to learn that the old gentleman is in poor health, and hope he will soon be restored to his normal health.

THE BIG MEDINA COUNTY SCHOOL MEET

Business People of Hondo Extend Hearty Invitation to the Public To Attend.

FRIDAY AND SATURDAY, MARCH 27 AND 28.

This page of the Hondo Anvil Herald is generously donated by those whose names appear hereon to the advertisement of Medina County's Big Annual School Meet which convenes here next week, Friday and Saturday. The page is their invitation to you to come and bring with you all of your family and friends. Come for two days of pleasure and play, and if while here—or at any other time, for that matter—any of these men can serve you, call on them for your needs. That is what they are in business for—to serve you.

The Directors of the School Meet have spared no pains in arranging for your entertainment and your comfort while in our City. Elsewhere you will find the Official Program, a statement from the local manager, a list of the Directors, etc. We have tried to anticipate your every need for information, but if you do not find here what you need to know ask one of the Directors. Preserve this sheet for your information—the announcements will not appear again.

TO OUR LOCAL PEOPLE.

The Medina Inter-Scholastic County Meet to be held at Hondo March 27th and 28th, 1925.

The schools of Medina County are going to convene in Hondo for the annual meet. There will be events that will be interesting to all classes of people, both athletic and intellectual contests. There will be many different events. School boys and girls are both taking part in the events. This is a day when the women are coming to the front in national affairs and we have some girls in our schools who are training themselves now for places in our national affairs. There will be contests in track and field events, and in debates, essay writings, music-memory, spelling and many other contests.

We are asking the good people of Hondo to open their homes for the contestants and officials of the events and give them a place to keep Friday night and to furnish them with breakfast Saturday. The visitors will take care of themselves the remainder of the time they are here. Several of the High School students will call on you and ask you how many you can take care of and we believe you will help us in this matter. Both the students and teachers will appreciate your help and support.

There will be some expense attached to this meet and a small admission fee will be charged to all.

The price for adults will be 50c and for school children 25c. Boys and girls will see you and sell you a tag that will pass you into all events that are put on. If every one will give us a little help in this manner it will make the event a success. The school boys and girls as well as the teachers will appreciate your good assistance and cooperation in this matter, and you will thus help make the event a great success. Come every body and bring your friends. No one will be barred; you are urged to come.

One of the big events will be the debate. The question for debate is one that is before the American people today. It is one that will have to be disposed of in some way. The question is stated as follows: RESOLVED: That the United States should grant the Philippine Islands their independence at the end of five years.

Hondo will be represented by the following:

DEBATE: Boys, Joe Wilson and William Van Fleet.
Girls, Anne Davis and Frances Neuman.
DECLAMATIONS: Junior Girl, Gertrude Harris.
Junior Boy, Vernon Wiemers.
Senior Girl, Lorain Ernest.
Senior Boy, Robert Griffin.

AN APPRECIATION.

Mrs. O. A. Fly and her Sunday School Class wish to thank all those who attended the play given by them Monday night. Especially do we wish to thank the "Bachelor Club" for their generous donation. The play was given to raise money to buy the Spring and Summer clothes for the little orphan girl the class has adopted at the Waco Orphans Home. But thanks to the large patronage given us and the generous donations, we can clothe our little girl for some time to come. We took in \$80.00 and our expenses will be small.

WHY THERE ARE MORE THAN A MILLION

Buick Torque Tube Drive

The fine engineering in Buick motor cars is demonstrated by the torque tube drive. This is a steel tube which transmits the drive from the rear wheels instead of adding this important duty to the burden of the rear springs. The torque tube also encloses and protects the propeller shaft. This type of construction also holds the rear wheels in alignment regardless of road conditions.

Days are tired and weary—
Night brings no respite.
Urinary troubles, headaches, dizzi-

Why continue to be so miserable?
Why not use a stimulant diuretic

Use Doan's Pills.
Your neighbors recommend Doan's.
Read this Hondo case:

taken with a severe backache and had
dull pain in my kidneys day and
night. When I stooped I could
hardly get up again. My kidneys
didn't act right and I had to get up
nights on this account. Doan's Pills
made my back as strong as iron and
made my kidneys act regularly."

Night Coughing Stopped Quickly By Simple Treatment

Thousands who are troubled with persistent coughing at night, which by robbing them of valuable sleep weakens their systems and lays them open to dangerous infections, can quickly act to prevent this danger through a very simple treatment. People who have hardly been able to rest at all on account of coughing spells have found they can sleep the whole night through undisturbed often the first time they try it.

The treatment is based on a remarkable prescription known as Dr. King's New Discovery for Coughs. You simply take a teaspoonful at night before retiring, and hold it in your throat for 15 or 20 seconds before swallowing it, without following with water. The prescription has a double action. It not only soothes and heals soreness and irritation, but it quickly loosens and removes the phlegm and congestion which are the direct cause of the coughing. The result is you usually sleep soundly the very first night, and the entire cough condition goes in a very short time.

The prescription is highly recommended for coughs, chest colds, hoarseness, and bronchitis, and is wonderful for children's coughs and spasmodic croup—no harmful drugs. Economical, too, as the dose is only one teaspoonful. At all good druggists. Ask for

QUIHI NOTES.

Next Sunday morning at 10 o'clock regular divine service in the German language will be held in the New Fountain Lutheran Church. A cordial invitation to come to this service is extended to all.

A special service will be held next Sunday night at Bethlehem Lutheran Church of Quihi at 7:30 o'clock. This service will be held in the English tongue, and the pulpit subject will be, "The Marriage Estate." All are cordially welcome. Bring your English hymn books along.

In a letter received from Rev. H. Krause, the official visitor of Lutheran parishes of this conference, he states that he expects to be here April 19th to hold the visitations at Quihi and New Fountain Churches, which were originally announced for the 8th of this month, but made impossible because of the illness of Rev. Krause.

The membership social held last week by the Bethlehem Lutheran League was attended by all members and their escorts and proved to be a very enjoyable affair. An impromptu musical and literary program and refreshments added much toward making the occasion interesting and pleasant.
